EXTENDED OFFER

The new Voyager Legend® CS

Office productivity, mobile flexibility and **\$50** in your pocket!

Now you don't have to choose between productivity in the office and on the road. Because the new Voyager Legend CS wireless headset offers hands-free, hassle-free connectivity to both desk and mobile phones. So no matter where you are when a call comes in, you can always make the most of it.

Seamless Call Management from Our Flagship Bluetooth® Headset.

Designed to move with you throughout your day, the Voyager Legend CS allows you to easily manage both mobile and desk phone calls, from one headset, for a truly seamless experience.

Features include:

- Up to 7 hours of talk time
- Range up to 33 feet from desk phone or mobile
- Voice commands and helpful audio alerts
- Intuitive smart sensor technology
- Crystal-clear audio with noise canceling technology
